

Be part of shaping the future of care!

Department Chief & Medical Director

Department of Emergency Medicine

Reporting to the Chief of Staff and Executive Vice President of Medical Programs, the Chief and Medical Director will be responsible for overseeing quality of patient care along with other program deliverables consistent with SHN's mission, vision and values.

The successful candidate will ensure program design and recruitment/resource allocation are consistent with the new SHN 5-year strategic plan. The key pillars of SHN's new 5-year strategic plan will include 1) advancing system integration/transformation; 2) fostering research and education; 3) promoting health equity and population health; 4) enhancing quality of care and patient safety; and 5) supporting people and culture. The successful candidate will provide leadership and expertise in capital redevelopment projects across all three hospital emergency departments (Birchmount, Centenary and General) with the goal to reduce wait times and enhance patient experience.

In close collaboration with department chiefs, the incumbent will optimize emergency services in Scarborough and work with the Executive VP of Education and Research to advance academic goals of SHN and the Department of Emergency Medicine.

The incumbent will also provide support to the Scarborough Health Network Foundation in fundraising activities and to promote a culture of philanthropy at SHN.

Applicants must hold an MD and be certified by Royal College of Physicians and Surgeons in Emergency Medicine or by the College of Family Physicians with the Added Competence in Emergency Medicine (EM) designation. Candidates must hold licensure with the College of Physicians and Surgeons of Ontario. The successful candidate must also be eligible for an academic appointment at the University of Toronto.

SHN ABOUT US

Scarborough Health Network (SHN) is a community teaching network, located in one of the most diverse and vibrant communities in Canada.

Across our three hospital sites – Birchmount Hospital, Centenary Hospital, General Hospital – and several community-based satellite clinics, our programs and services are designed for the specific needs of the Scarborough community. With 900 inpatient beds, 6000 staff, and 950 physicians, SHN is one of the largest community hospital networks in Canada. SHN offers three full-service emergency departments (176,000+ annual visits); diagnostic, surgery, rehabilitation, and geriatric care; as well as advanced birthing centres for moms, newborns, and growing families.

With leading minds and medical expertise, SHN is home to Ontario's largest regional nephrology program and regional community-based cardiovascular rehabilitation services; is the designated cardiac centre for Ontario Central East; as well as an internationally recognized cardio-oncology centre of excellence. SHN is also a member of the Toronto Academic Health Science Network affiliated with the university of Toronto.
